Preparing Your Suite for cockroach treatment:

CLIENT NAME: _____

Unit # _____

Date of treatment _____

Living room, dining room, bathrooms, bedrooms, storage rooms and basements:

- make sure everything is moved at least 4" away from the baseboards. This includes furniture, boxes, bags, speakers, toys, garbage etc. Whatever is on your floor.
- Sweep or vacuum all floors before treatment
- Cover fish bowls and aquariums with plastic and unplug them
- Remove all other pets from your suite
- Leave all plants in place
- Remove items from closet floors and place on higher shelves

Kitchen:

- Clean countertop putting all food in sealed containers
- Empty all cupboards and drawers
- clean off stove, fridge and countertops.

You must leave your suite for a minimum of six hours after treatment.

Treatment will be repeated in two weeks time.
